ADVENTURES

Great Sand Dunes National Park

This morning we introduce you to the newest of the four National Parks in Colorado. Like Black Canyon of the Gunnison, this area had been designated a national monument decades before it became National Park in 2004. In it are the tallest sand dunes in North America, set against the dramatic alpine peaks of the Sangre de Christos Mountains. We will venture up the dunes to get amazing views of the mountains and dunes that stretch farther than they eye can see. Our destination for this evening is the town of Salida situated along the banks of the Arkansas river. Meals included: Breakfast, Lunch & Dinner

Florissant Fossil Beds National Monument

On our way back to Denver we will make a stop at Florissant Fossil Beds National Monument. The park has one of the richest and most diverse fossil deposits in the world including petrified redwoods stumps and thousands of fossils of insects and plants. From there we will drive through Colorado Springs to Denver International Airport for evening departures. Meals included: Breakfast & Lunch
